

FeelFlorence Platform; Florence: The FeelFlorence platform has dedicated sections on barrier-free tourism, cultural itineraries, guided tours, events, fairs, markets, and facilities. Thanks to their qualified staff, All Infopoints ensure assistance in more than 5 foreign languages and International Sign Language via frontend and call centre service. Moreover, Professional Tourist and Environmental Guides are available, each of them a specialist in their field and constantly trained in courses organised by Municipality of Florence, Chamber of Commerce, business associations, etc. Appropriate tours and experiences are elaborated with the precise aim to include different types of tourists and city users. The complete museums system is equipped with technology designed to meet different needs from various target groups.
